

Hello Future Fourth Grade Parents,

I am writing to send home your student's summer reading homework. I will require the students to read a new chapter book that can be used for Accelerated Reader (A.R.). My requirements are that it must be a new book (not one that they took a test on or read previously) and they must complete the given organizer in ink (or type it) ***and then use the information to write a report.*** If you are not sure if a book has an AR value, you can easily find out by visiting <http://www.arbookfind.com>. The students must turn in **both** the organizer and the book report **by Friday, August 27th**. This will be their first reading grade for fourth grade. They are also welcome to take the A.R. test once everything is set up in the Fall.

If you have any questions or concerns, please feel free to contact me at mpizzo@sainpius-x.org.

Have a wonderful, safe summer! I look forward to working with all of you in the year to come!

Yours in Christ,

Mrs. Pizzo
